1 General

1.1 Introduction

Disclaimer: The Billing Instructions Form Locator information enclosed are for the use of paper claim submission only. For Electronic claim submission information, please utilize the Companion Guides found at www.kymmis.com under Companion Guides and EDI Guides.

These instructions are intended to assist persons filing claims for services provided to Kentucky (KY) Medicaid Members. Guidelines outlined pertain to the correct filing of claims and do not constitute a declaration of coverage or guarantee of payment.

Policy questions should be directed to the Department for Medicaid Services (DMS). Policies and regulations are outlined on the DMS website at:

https://chfs.ky.gov/agencies/dms/Pages/default.aspx

Fee and rate schedules are available on the DMS website at:

https://chfs.ky.gov/agencies/dms/Pages/feesrates.aspx

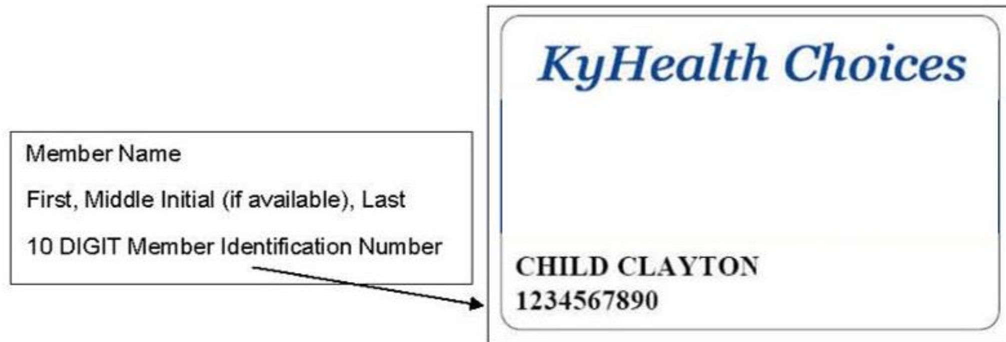
1.2 Member Eligibility

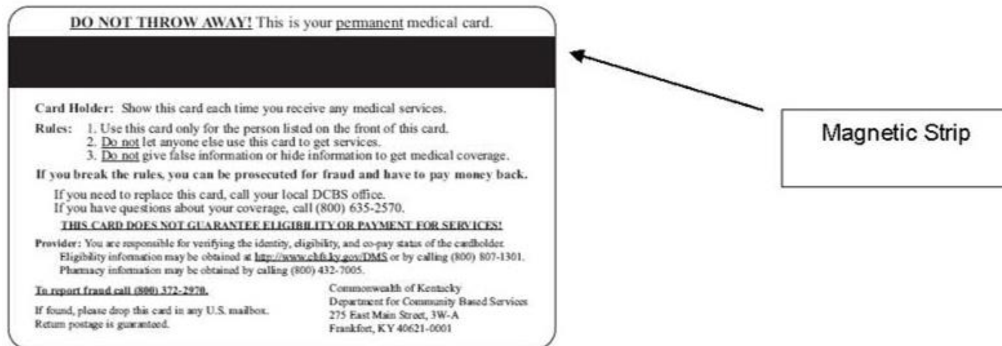
Members should apply for Medicaid eligibility through kynect (kyenroll.ky.gov) by phone at 1-855-4kynect (1-855-459-6328) or in person at their local Department for Community Based Services (DCBS) office. Members with questions or concerns can contact Member Services at 1-800-635-2570, Monday through Friday. This office is closed on holidays.

The primary identification for Medicaid-eligible members is the Kentucky Medicaid card. This is a permanent plastic card issued when the Member becomes eligible for Medicaid coverage. The name of the member and the member's Medicaid identification (ID) number are displayed on the card. The provider is responsible for checking identification and verifying eligibility before providing services.

Note: Payment cannot be made for services provided to ineligible members. Possession of a member identification card does not guarantee payment for all medical services.

1.2.1 Plastic Swipe KY Medicaid Card





Providers who wish to use the card's magnetic strip to access eligibility information may do so by contracting with one of several vendors.

1.2.2 Member Eligibility Categories

1.2.2.1 QMB and SLMB

Qualified Medicare Beneficiaries (QMB) and Specified Low-Income Medicare Beneficiaries (SLMB) are members who qualify for both Medicare and Medicaid. In some cases, Medicaid may be limited. QMB members have Medicare and full Medicaid coverage, as well. QMB-only members have Medicare, and Medicaid serves as a Medicare supplement only. A member with SLMB does not have Medicaid coverage; Kentucky Medicaid pays a "buy-in" premium for SLMB members to have Medicare but offers no claims coverage.

1.2.2.2 Managed Care Partnership

Medical benefits for persons whose care is overseen by a Managed Care Organization (MCO) are similar to those of Kentucky Medicaid, but billing procedures and coverage of some services may differ. Providers with MCO questions should contact the respective MCO provider services:

- Passport Health Plan (now known as Molina) at 1-800-578-0775
- WellCare of Kentucky at 1-877-389-9457
- Humana Healthy Horizons in Kentucky at 1-800-444-9137
- Anthem Blue Cross Blue Shield at 1-800-880-2583
- Aetna Better Health of KY at 1-855-300-5528
- United Health Care at 1-866-633-4449

1.2.2.3 KCHIP

The Kentucky Children's Health Insurance Program (KCHIP) provides coverage to children through age 18 who have no insurance and whose household income meets program guidelines. Children with KCHIP III are eligible for all Medicaid-covered services except Non-Emergency Transportation and Early Periodic Screening, Diagnosis, and Treatment (EPSDT) Special Services. Regular KCHIP children are eligible for all Medicaid-covered services.

For more information, access the KCHIP website at http://kidshealth.ky.gov/en/kchip.

1.2.2.4 Presumptive Eligibility

Presumptive Eligibility (PE) is a program that offers certain individuals and pregnant women temporary medical coverage. A treating physician or hospital may issue an Identification Notice to an individual if it is determined that the individual meets the criteria as described below. PE benefits are in effect up to 60 days from the date the Identification Notice is issued, or upon denial or issuance of Medicaid. The 60 days includes current month through end of the next month. This short-term program is intended to allow financially needy individuals to have access to medical services while they are completing the application process for full Medicaid benefits.

Reimbursement for services is different for presumptively eligible individuals depending on the method by which eligibility is granted. The two types of PE are as follows:

- PE for pregnant women
- PE for hospitals

1.2.2.5 Breast & Cervical Cancer Treatment Program

The Breast & Cervical Cancer Treatment Program (BCCTP) offers Medicaid coverage to women who have a confirmed cancerous or pre-cancerous condition of the breast or cervix. In order to qualify, women must be screened and diagnosed with cancer by the Kentucky Women's Cancer Screening Program, be between the ages of 21 and 65, have no other insurance coverage, and not reside in a public institution. The length of coverage extends through active treatment for the breast or cervical cancer condition. Those members receiving Medicaid through BCCTP are entitled to full Medicaid services. Women who are eligible through BCCTP do not receive a Medicaid card for services. The enrolling provider will provide a printed document that is to be used in place of a card.

1.2.3 Verification of Member Eligibility

This section covers:

- Methods for verifying eligibility
- How to verify eligibility through an automated 800 number function
- How to use other proofs to determine eligibility
- What to do when a method of eligibility is not available

1.2.3.1 Obtaining Eligibility and Benefit Information

Eligibility and benefit information is available to providers via the following:

- Voice Response Eligibility Verification (VREV) available 24 hours/7 days a week at 1-800-807-1301
- KY HealthNet at https://home.kymmis.com
- The Department for Medicaid Services, Member Eligibility Branch at 1-800-635-2570, Monday through Friday, except holidays

1.2.3.1.1 Voice Response Eligibility Verification

Gainwell Technologies maintains a VREV system that provides member eligibility verification, as well as information regarding third party liability (TPL), Managed Care, PRO review, card issuance, co-pay, provider check write, and claim status.

The VREV system-generally processes calls in the following sequence:

1. Greet the caller and prompt for mandatory provider ID.

2. Prompt the caller to select the type of inquiry desired (eligibility, TPL, Managed Care, PRO review, card issuance, co-pay, provider check write, claim status, etc.).
3. Prompt the caller for the dates of service (enter four-digit year, for example, MMDDCCYY).
4. Respond by providing the appropriate information for the requested inquiry.
5. Prompt for another inquiry.
6. Conclude the call.

This system allows providers to take a shortcut to information. Users may key the appropriate responses (such as provider ID or member ID) as soon as each prompt begins. The number of inquiries is limited to five per call. The VREV spells the member name and announces the dates of service. Check amount data is accessed through the VREV voice menu. The Provider's last three check amounts are available.

1.2.3.1.2 KY HealthNet Online Member Verification

KY HealthNet online access can be obtained at https://home.kymmis.com. The KY HealthNet website is designed to provide real-time access to member information. Providers can download a User Manual to assist providers in system navigation. Providers with suggestions, comments, or questions should contact the Gainwell Electronic Claims Department at KY_EDI_Helpdesk@gainwelltechnologies.com or 1-800-205-4696.

All Member information is subject to Health Insurance Portability and Accountability Act (HIPAA) privacy and security provisions, and it is the responsibility of the provider and the provider's system administrator to ensure all persons with access understand the appropriate use of this data. It is suggested that providers establish office guidelines defining appropriate and inappropriate uses of this data.

2 Electronic Data Interchange

Electronic Data Interchange (EDI) is structured business-to-business communications using electronic media rather than paper.

2.1 How to Get Started

All Providers are encouraged to utilize EDI rather than paper claims submission. To become a business-to-business EDI Trading Partner or to obtain a list of Trading Partner vendors, contact the Gainwell Electronic Data Interchange Technical Support Help Desk at:

Gainwell Technologies
P.O. Box 2100
Frankfort, KY 40602-2016
1-800-205-4696

Contact the EDI Technical Support Help Desk at the phone number listed above for specific testing instructions and requirements.

2.3 Electronic Claims Submission Help

Providers with questions regarding electronic claims submission (ECS) may contact the EDI Help desk.

3 KY HealthNet

The KY HealthNet website allows providers to submit claims online via a secure, direct data entry function. Providers with internet access may utilize the user-friendly claims wizard to submit claims, in addition to checking eligibility and other helpful functions.

3.1 How to Get Started

All Providers are encouraged to utilize KY HealthNet rather than paper claims submission. To become a KY HealthNet user, contact our EDI helpdesk at 1-800-205-4696 or click the link below.

3.2 KY HealthNet Companion Guides

Field-by-field instructions for KY HealthNet claims submission are available at:

http://www.kymmis.com/kymmis/Provider%20Relations/KYHealthNetManuals.aspx

4 General Billing Instructions for Paper Claim Forms

4.1 General Instructions

The Department for Medicaid Services is mandated by the Centers for Medicare and Medicaid Services (CMS) to use the appropriate form for the reimbursement of services. Claims may be submitted on paper or electronically.

4.2 Imaging

All paper claims are imaged, which means a digital photograph of the claim form is used during claims processing. This streamlines claims processing and provides efficient tools for claim resolution, inquiries, and attendant claim-related matters.

By following the guidelines below, providers can ensure claims are processed as they intend:

- USE BLACK INK ONLY
- Do not use glue
- Do not use more than one staple per claim
- Press hard to guarantee strong print density if the claim is not typed or computer generated
- Do not use white-out or shiny correction tape
- Do not send attachments smaller than the accompanying claim form

4.3 Optical Character Recognition

Optical Character Recognition (OCR) eliminates human intervention by sending the information on the claim directly to the processing system, bypassing data entry. OCR is used for computer generated or typed claims only. Information obtained mechanically during the imaging stage does not have to be manually typed, thus reducing claim processing time. Information on the claim must be contained within the fields using font 10 as the recommended font size in order for the text to be properly read by the scanner.

5 Additional Information and Forms

5.1 Claims with Dates of Service More than One Year Old

In accordance with federal regulations, claims must be received by Medicaid no more than 12 months from the date of service, or six months from the Medicare or other insurance payment date, whichever is later. “Received” is defined in 42 CFR 447.45 (d) (5) as “The date the agency received the claim as indicated by its date stamp on the claim.”

Kentucky Medicaid includes the date received in the Internal Control Number (ICN). The ICN is a unique number assigned to each incoming claim and the claim’s related documents during the data preparation process. Refer to Appendix A for more information about the ICN.

For claims more than 12 months old to be considered for processing, the provider must attach documentation showing timely receipt by DMS or Gainwell and documentation showing subsequent billing efforts, if any.

To process claims beyond the 12 month limit, you must attach to each claim form involved, a copy of a Claims in Process, Paid Claims, or Denied Claims section from the appropriate Remittance Statement no more than 12 months old, which verifies that the original claim was received within 12 months of the service date. Proof of timely filing documentation must show that the claim has been received and processed at least once every twelve month period from the service date.

Additional documentation that may be attached to claims for processing for possible payment is:

- A screen print from KY HealthNet verifying the eligibility issuance date and eligibility dates must be attached behind the claim
- A screen print from KY HealthNet verifying filing within 12 months from the date of service, such as the appropriate section of the Remittance Advice (RA) or from the Claims Inquiry Summary Page (accessed via the Main Menu’s Claims Inquiry selection)
- A copy of the Medicare Explanation of Medicare Benefits received 12 months after service date but less than six months after the Medicare adjudication date
- A copy of the commercial insurance carrier’s Explanation of Benefits (EOB) received 12 months after service date but less than six months after the commercial insurance carrier’s adjudication date

5.2 Retroactive Eligibility (Back-Dated) Card

Aged claims for members whose eligibility for Medicaid is determined retroactively may be considered for payment if filed within one year from the eligibility issuance date. Claim submission must be within 12 months of the issuance date. A copy of the KY HealthNet card issuance screen must be attached behind the paper claim.

5.3 Unacceptable Documentation

Copies of previously submitted claim forms, providers’ in-house records of claims submitted, or letters detailing filing dates are not acceptable documentation of timely billing. Attachments must prove the claim was received in a timely manner by Gainwell.

5.4 Third Party Coverage Information

5.4.1 Commercial Insurance Coverage (this does NOT include Medicare)

When a claim is received for a member whose eligibility file indicates other health insurance is active and applicable for the dates of services, and no payment from other sources is entered on the Medicaid claim form, the claim is automatically denied unless documentation is attached.

5.4.2 Documentation that May Prevent a Claim from Being Denied for Other Coverage

The following forms of documentation prevent claims from being denied for other health insurance when attached to the claim.

1. Remittance statement from the insurance carrier that includes:
   a. Member name
   b. Date(s) of service
   c. Billed information that matches the billed information on the claim submitted to Medicaid

   and

   d. An indication of denial or that the billed amount was applied to the deductible

   Note: Rejections from insurance carriers stating “additional information necessary to process claim” is not acceptable.
2. Letter from the insurance carrier that includes:
   a. Member name
   b. Date(s) of service(s)
   c. Termination or effective date of coverage (if applicable)
   d. Statement of benefits available (if applicable)

   and

   e. The letter must have a signature of the insurance representative or be on the insurance company’s letterhead
3. Letter from a provider that states they have contacted the insurance company via telephone. The letter must include the following information:
   a. Member name
   b. Date(s) of service
   c. Name of insurance carrier

5.4.3 When there is No Response within 120 Days from the Insurance Carrier

When the other health insurance has not responded to a provider's billing within 120 days from the date of filing a claim, a provider may complete a TPL Lead Form. Write "no response in 120 days" on either the TPL Lead Form or the claim form, attach it to the claim and submit it to Gainwell. Gainwell overrides the other health insurance edits and forwards a copy of the TPL Lead Form to the TPL Unit. A member of the TPL staff contacts the insurance carrier to see why they have not paid their portion of liability.

5.4.4 For Accident and Work-Related Claims

For claims related to an accident or work-related incident, the provider should pursue information relating to the event. If an employer, individual, or an insurance carrier is a liable party but the liability has not been determined, claims may be submitted to Gainwell with an attached letter containing any relevant information, such as, names of attorneys, other involved parties, and/or the member's employer to:

5.6 Prior Authorization Information

Please consider the following regarding Prior Authorization:

- The prior authorization process does NOT verify anything except medical necessity; it does not verify eligibility or age
- The prior authorization letter does not guarantee payment; it only indicates that the service is approved based on medical necessity
- If the individual does not become eligible for Kentucky Medicaid, loses Kentucky Medicaid eligibility, or ages out of the program eligibility, services will not be reimbursed despite having been deemed medically necessary
- Prior Authorization should be requested prior to the provision of services except in cases of:
    - Retro-active member eligibility
    - Retro-active provider number
- Providers should always completely review the Prior Authorization Letter prior to providing services or billing

Access the KYMMIS website to obtain blank Prior Authorization forms:

5.7 Adjustments and Void Requests

Gainwell Technologies
P.O. Box 2108
Frankfort, KY 40602-2108
Attn: Financial Services

Please keep the following points in mind when filing an adjustment request:

- Attach a copy of the corrected claim and the paid remittance advice page to the adjustment form
    - For a Medicaid/Medicare crossover, attach an Explanation of Medicare Benefits (EOMB) to the claim
- Do not send refunds on claims for which an adjustment has been filed
- Be specific, explain exactly what is to be changed on the claim
- Claims showing paid zero-dollar amounts are considered paid claims by Medicaid; if the paid amount of zero is incorrect, the claim requires an adjustment
- An adjustment is a change to a paid claim; a claim credit simply voids the claim entirely

A full calendar month's billing is required unless the resident is newly admitted to the facility during the month, is discharged, expires, or authorization for benefit provisions is withdrawn by Mental Health Management of America (MHMA) on the basis that further stay is not medically necessary. Providers should not split-bill for a month's service (submit bills more frequently than a full calendar month - 1st through 15th; 16th through 31st).

A separate UB-04 form must be used for each resident. An original UB-04 billing form must be submitted to Gainwell for claims processing. The provider should retain a copy of the billing form.

The original UB-04 billing form must be sent to:

Gainwell Technologies
P.O. Box 2106
Frankfort, KY 40602-2106

MAP-24 (Rev. 02/2001)

7.1 Conditions of Reimbursement

7.1.1 Mental Health Management Agency/Utilization Review Documentation

The facility shall maintain information in each resident's medical record which documents each period of MHMA certification and which adequately identifies all services and treatments provided for the patient.

7.1.2 The Notice of Availability of Income for Long Term Care (MAP-552)

7.1.2.1 MAP-552/LO2 Process and Requirements

The local office of the Department for Community Based Services (DCBS) shall initiate a form MAP-552 after the patient status has been established in a Psychiatric Residential Treatment Facility.

The Department for Community Based Services initiates action on the MAP-552 when they have received a Certification for Psychiatric Facility Placement form (LO2) from MHMA. Upon receipt of the LO2, the local DCBS staff conducts a financial investigation of the applicant and makes a determination as to the amount of income that is to be considered as "available income" to be applied toward the cost of care.

Receipt of the MAP-552 by the facility is notification that the facility can bill the KY Medicaid Program for services provided to a KY Medicaid resident. Since claims processed prior to entry into the system of continuing income data rejects, it is recommended that claims be submitted only after the MAP-552 is received by the Psychiatric Residential Treatment Facility.

When there is a change in the amount of the continuing income received by the resident (either an increase or a decrease), a MAP-552 shall be prepared by the DCBS eligibility worker. Income data entered on the MAP-552 remains in effect until a new MAP-552 is issued. A copy of a MAP-552 can be found on page 8-46.

7.1.2.2 Income Disregard Period

The resident income is disregarded through the month of admission when initially admitted to a facility; however, for residents in private pay status who become Title XIX eligible while in the facility, there is no income disregard period. The continuing income as indicated on the MAP-552 is to be collected by the facility from the resident or responsible party, for example family, guardian, or conservator. A direct transfer to another psychiatric residential treatment facility shall not begin another period of income disregard. If the resident is out of provider payment status for thirty days or more, DMS allows a new income disregard period.

7.1.2.3 Collection of Continuing Income for Partial Month of Service

If a partial month of service is provided, the total amount of a resident's available income is not collected. The KY Medicaid Program automatically prorates the resident's available income and deducts from its payment that portion of the income available for collection for a partial month of service. The following formula is used:

- Days of Service X Resident's Available Income + Days in Month = Amount to be Collected from Resident or APPLICABLE INCOME for that Portion of the Month.
- Example: ten days X $110 + 30 days in month, $36.67

7.1.2.4 Collection of Continuing Income for Psychiatric Residential Treatment Facility Residents Admitted to a Mental Hospital

If a Psychiatric Residential Treatment Facility resident is admitted to a mental hospital on leave of absence (LOA) days, continuing income is considered in payment to the Psychiatric Residential Treatment Facility. If the Psychiatric Residential Treatment Facility resident is admitted to a mental hospital and is not on leave of absence from the Psychiatric Residential Treatment Facility, continuing income is subtracted from the mental hospital payment.

Prior to billing KY Medicaid for a Psychiatric Residential Treatment Facility resident who is on leave of absence days to a mental hospital, the Psychiatric Residential Treatment Facility provider is required to complete form MAP-31 (Rev. 7/91) to list the number of leave of absence (LOA) days the resident is allowed for the Psychiatric Residential Treatment Facility during that admission to the mental hospital.

Instructions for completion of Psychiatric Residential Treatment Facility Notification Form MAP-31 may be found on page 9-50.

7.1.2.5 Residents Committed to the Custody of the Department for Community Based Services

The DCBS local office shall be notified of the placement of residents in a psychiatric residential treatment facility by the Department for Community Based Services. If a MAP-552 has not been received by the facility within 60 days the facility can, after an L02 has been issued by the MHMA Coordinator, contact the Division of Family Services within the Department for Community Based Services. Questions concerning placement of residents who are committed to the custody of the Department for Community Based Services shall be addressed to the Director's Office of the Division of Family Services at 1-502-564-5813.

7.2 Payment from Resident

The KY Medicaid Program requires all Psychiatric Residential Treatment Facilities that participate in the Program to report ALL payments or deposits made toward a resident's account, regardless of the source of payment. In the event that the Psychiatric Residential Treatment Facility receives payment from an eligible KY Medicaid Program resident for a covered service, the KY Medicaid Program regulations preclude payment being made by the Program for that service unless documentation is received that the payment has been refunded. This policy does not apply to payments made by residents for non-covered services or continuing income amounts.

7.3 Equal Charge

The charge made to the KY Medicaid Program shall be the same charge made for comparable services provided to any party or payer.

7.4 Duplicate or Inappropriate Payments

Any duplicate or inappropriate payment by the KY Medicaid Program, whether due to erroneous billing or payment system faults, shall be refunded to the KY Medicaid Program. Refund checks shall be made payable to "KY State Treasurer" and sent immediately to:

Gainwell Technologies
P.O. Box 2108
Frankfort, KY 40602-2108
ATTN: Financial Services Unit

Failure to refund a duplicate or inappropriate payment could be interpreted as fraud or abuse and prosecuted.

7.5 Deposits

Deposits shall not be required or accepted of those persons eligible for KY Medicaid. Presentation of a current Member Identification Card and meeting patient status as determined by MHMA for Psychiatric Residential Treatment Facility Services constitute KY Medicaid eligibility for services. Any deposit obtained prior to KY Medicaid eligibility shall be returned to the resident or responsible party when eligibility is determined. Deposits must be refunded PRIOR TO BILLING THE KY MEDICAID PROGRAM.

7.6 Days

The following provides parameters regarding days:

- For KY Medicaid purposes, a day is considered in relation to the midnight census.
- KY Medicaid can pay the date of admission but cannot pay the date of discharge (death). Charges incurred on the date of discharge (death) are KY Medicaid-allowable covered charges.
- Residents or responsible parties cannot be billed for the date of discharge (death).

7.7 Personal Items as a Component of Routine Costs

Resident's personal items (for example toothpaste, toothbrushes, deodorants, lotions, shampoo, paper tissues, mouthwashes etc.) are considered part of routine services. These items are provided without cost to the resident and are not billable to residents or responsible parties.

7.8 Leave of Absence Policy

The KY Medicaid Program can make payment to a Psychiatric Residential Treatment Facility during a Title XIX resident's absence for acute care hospitalization, mental hospital, psychiatric bed at an acute care hospital, and other leaves of absence provided certain criteria are met.

Facilities shall allow residents for whom KY Medicaid is paying to reserve a bed and to return to that bed when they are ready for charge from the hospital or when returning from other leaves of absence, regardless of the day of the week, including holidays and weekends.

If the facility chooses not to reserve a bed for a resident for whom leave of absence days are available, the facility must advise the resident prior to his or her departure from the facility that a bed is not reserved for their use upon return from the hospital/home visit.

7.8.1 Criteria for Reimbursable Leaves of Absence

The following are the reimbursable leaves of absence criteria:

- The resident is in Title XIX payment status and has been a resident of the facility at least overnight.
- The resident can be reasonably expected to return to the facility.
- Due to a demand at the facility for beds, there is likelihood that another resident would occupy the bed were it not reserved.

- Hospitalization must be in KY Medicaid participating hospitals. The admission must be approved by the KY Medicaid Program Peer Review Organization (PRO) or the KY Medicaid designated review agency, the MHMA.
- For leaves of absence other than for hospitalization, the resident's physician orders and plan of care provide for such leaves. Leaves of absence include visits with relatives and friends.

7.8.1.1 Vendor Payment

Vendor payment for leave of absence days is limited as follows:

- A maximum of 14 days per admission for an acute care hospital stay
- A maximum of 14 days per calendar year for admissions to a mental hospital or a psychiatric bed of an acute care hospital
- A maximum of 21 days per six months periods during a calendar year (January through June and July through December) for other leaves of absence
- A maximum of 30 consecutive days for hospital and other leaves of absence combined
- Maximums are applied per provider

10 Appendix B – Remittance Advice

This section is a step-by-step guide to reading a Kentucky Medicaid Remittance Advice (RA). The following sections describe major categories related to processing/adjudicating claims. To enhance this document's usability, detailed descriptions of the fields on each page are included, reading the data from left to right, top to bottom.

10.1 Examples of Pages in a Remittance Advice

There are several types of pages in a Remittance Advice, including separate page types for each type of claim; however, if a provider does not have activity in that particular category, those pages are not included.

Following are examples of pages which may appear in a Remittance Advice:

FIELD	DESCRIPTION
Returned Claims	This section lists all claims that have been returned to the provider with a Return to Provider (RTP) letter. The RTP letter explains why the claim is being returned. These claims are returned because they are missing information required for processing.
Paid Claims	This section lists all claims paid in the cycle.
Denied Claims	This section lists all claims that denied in the cycle.
Claims In Process	This section lists all claims that have been suspended as of the current cycle. The provider should maintain this page and compare it with future Remittance Advices until all the claims listed have appeared on the PAID CLAIMS page or the DENIED CLAIMS page. Until that time, the provider need not resubmit the claims listed in this section.
Adjusted Claims	This section lists all claims that have been submitted and processed for adjustment or claim credit transactions.
Mass Adjusted Claims	This section lists all claims that have been mass adjusted at the request of the Department for Medicaid Services (DMS).
Financial Transactions	This section lists financial transactions with activity during the week of the payment cycle. **Note:** It is imperative the provider maintains any A/R page with an outstanding balance.
Summary	This section details all categories contained in the Remittance Advice for the current cycle, month to date, and year to date. Explanation of Benefit (EOB) codes listed throughout the Remittance Advice is defined in this section.
EOB Code Descriptions	EOB codes which appear in the RA are defined in this section.

Note: For the purposes of reconciliation of claims payments and claims resubmission of denied claims, it is highly recommended that all remittance advices be kept for at least one year.

BALANCE	The system-generated balance remaining on the accounts receivable transaction.
REASON CODE	A two-byte alpha/numeric code specifying the reason an accounts receivable was processed against a provider's account.

All initial accounts receivable allows 60 days from the "setup date" to make payment on the accounts receivable. After 60 days, if the accounts receivable has not been satisfied nor a payment plan initiated, monies are recouped from the provider on each Remittance Advice until satisfied.

This is your only notification of an accounts receivable setup. Please keep all Accounts Receivable Summary pages until all monies have been satisfied.
